

Mark scheme of final presentation

The presentation will be ranked and marked by taking into account students experience and how challenging the topic. The following is the guideline for the mark:

1. slides (5 mark): structure
 - structure of presentation
 - Visual illustration
2. presentation (5 mark):
 - show sufficient preparation
 - clear in delivery the content
3. Difficulty level (3 mark):
 - How deep of the topic is covered
4. Content covered (6 mark):
 - Correct understanding on the assigned topics
 - Have done Illustrate (or simulation) on simple topic?
 - Does it help other students to understand the topic?
 - Ability to answer question?
- 5 Attendance (1 mark)

The student are presented in groups (2 students). We need to assign marks to each students in the group. In other words, the mark for students in each group would be different. In general, no one is perfect and hence the total mark range is from 8-17 according to the discussion from James in 2020 semster.
